CONDITIONS: GENERAL CONDITIONS

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions. References to the Conditions shall mean these General Conditions and the Product Conditions applicable to the respective Securities.

2. ISSUER, FORM, HOLDER AND STATUS

- (a) Issuer. The Securities are issued by ABN AMRO Bank N.V., a bank incorporated in The Netherlands with its statutory seat in Amsterdam, as Issuer (as defined in Product Condition 1).
- (b) Form. The Securities are issued in dematerialised form and are registered in the book-entry system of Euroclear Sweden AB ("**Euroclear Sweden AB**") as Clearing Agent. Title to the Securities will pass by transfer between accountholders at Euroclear Sweden AB perfected in accordance with the legislation (including the Swedish Financial Instruments Accounts Act SFS 1998:1479), rules and regulations applicable to and/or issued by Euroclear Sweden AB that are in force and effect from time to time (the "**CSD Rules**"). The Issuer shall be entitled to obtain from Euroclear Sweden AB extracts from the book-entry register of Euroclear Sweden AB (skuldbok) relating to the Securities.
- (c) Holder. "**Holder**" means a person in whose name a Security is registered in a Euroclear Sweden AB account in the book-entry system of Euroclear Sweden AB or any other person recognised as a holder of Securities pursuant to the CSD Rules and accordingly, where Securities are held through a registered nominee, the nominee shall be deemed to be the Holder.
- (d) Status. The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank pari passu among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

The Issuer shall have the right to terminate the Securities if it shall have determined in its reasonable discretion that its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power ("**Applicable Law**"). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder

in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the costs to the Issuer for unwinding any related hedging arrangements.

4. NOTICES

All notices under the General Conditions and/or the Product Conditions shall be published on the Issuer's website www.rbs.de/markets for investors in Germany and www.rbsbank.at/markets for investors in Austria (or any successor website) and shall become effective upon such publication, unless the relevant notice provides a different date for the effectiveness. Additional publication requirements under mandatory provisions of law or under the rules or regulations of any relevant stock exchange shall remain unaffected.

5. HEDGING DISRUPTION EVENT

- (a) Notification. If the Issuer determines in accordance with General Condition 5(b) that a Hedging Disruption Event has occurred, the Calculation Agent, acting upon the instructions of the Issuer, shall as soon as reasonably practicable notify the Holders in accordance with General Condition 4 of (i) the determination of a Hedging Disruption Event by the Issuer; and (ii) the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).
- (b) Hedging Disruption Event. A "**Hedging Disruption Event**" shall occur if the Issuer determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer wholly or partially to establish, re-establish, substitute or maintain a relevant hedging transaction (a "**Relevant Hedging Transaction**") it deems necessary or desirable to hedge the Issuer's obligations in respect of the Securities. The reasons for such determination by the Issuer may include, but are not limited to, the following:
 - (i) any material illiquidity in the market for the relevant instruments (the "**Disrupted Instrument**") which are included from time to time in the reference asset to which the Securities relate; or
 - (ii) a change in the Applicable Law (including, without limitation, any tax law) or the promulgation, or change in the interpretation, of any Applicable Law by any court, judicial institution or regulatory authority with competent jurisdiction under Applicable Law (including any action taken by a taxing authority); or
 - (iii) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or

- (iv) the general unavailability of: (A) market participants willing to enter into a Relevant Hedging Transaction; or (B) market participants willing to enter into a Relevant Hedging Transaction on commercially reasonable terms.
- (c) Consequences. In the event of a Hedging Disruption Event, the Issuer, may determine to:
 - (i) terminate the Securities. In such circumstances the Issuer will, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination, less the costs to the Issuer for unwinding any related hedging arrangements;
 - (ii) make an adjustment in good faith to the relevant reference asset by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may: (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or (B) notionally reinvest such proceeds in other reference asset(s) if so permitted under the Conditions, including the reference asset(s) to which the Securities relate;
 - (iii) make any other adjustment to the Conditions as the Issuer considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer or any Affiliate may purchase Securities at any price in the open market or by tender or private treaty.
