CONDITIONS: GENERAL CONDITIONS

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions. References to the Conditions shall mean these General Conditions and the Product Conditions applicable to the respective Securities.

2. ISSUER, FORM, SECURITYHOLDER AND STATUS

- (a) Issuer. The Securities are issued by The Royal Bank of Scotland N.V., a bank incorporated in The Netherlands with its statutory seat in Amsterdam, as Issuer (as defined in Product Condition 1).
- (b) Form. The Securities are issued in dematerialised form and are registered in the book-entry system of Euroclear Sweden AB ("**Euroclear Sweden AB**") as Clearing Agent. Title to the Securities will pass by transfer between accountholders at Euroclear Sweden AB perfected in accordance with the legislation (including the Swedish Financial Instruments Accounts Act SFS 1998:1479), rules and regulations applicable to and/or issued by Euroclear Sweden AB that are in force and effect from time to time (the "**CSD Rules**"). The Issuer shall be entitled to obtain from Euroclear Sweden AB extracts from the book-entry register of Euroclear Sweden AB (skuldbok) relating to the Securities.
- (c) Securityholder. "**Securityholder**" means a person in whose name a Security is registered in a Euroclear Sweden AB account in the book-entry system of Euroclear Sweden AB or any other person recognised as a holder of Securities pursuant to the CSD Rules and accordingly, where Securities are held through a registered nominee, the nominee shall be deemed to be the Securityholder.
- (d) Status. The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank pari passu among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

The Issuer shall have the right to terminate the Securities if it shall have determined in its reasonable discretion that its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power (the "**Applicable Law**"). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Securityholder in respect of each Security held by such Securityholder an amount calculated by it as the fair

market value of the Security immediately prior to such termination (ignoring such illegality) less the costs to the Issuer for unwinding any related hedging arrangements.

4. NOTICES

All notices under the General Conditions and/or the Product Conditions shall be published on the Issuer's website www.rbsbank.se/markets (or any successor website) and shall become effective upon such publication, unless the relevant notice provides a different date for the effectiveness. Additional publication requirements under mandatory provisions of law or under the rules or regulations of any relevant stock exchange shall remain unaffected.

5. HEDGING DISRUPTION EVENT

- (a) Notification. If the Issuer determines in accordance with General Condition 5(b) that a Hedging Disruption Event has occurred, the Calculation Agent, acting upon the instructions of the Issuer, shall as soon as reasonably practicable notify the Securityholders in accordance with General Condition 4 of (i) the determination of a Hedging Disruption Event by the Issuer; and (ii) the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).
- (b) Hedging Disruption Event. A "**Hedging Disruption Event**" shall occur if the Issuer determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer wholly or partially to establish, re-establish, substitute or maintain a relevant hedging transaction (a "**Relevant Hedging Transaction**") it deems necessary or desirable to hedge the Issuer's obligations in respect of the Securities. The reasons for such determination by the Issuer may include, but are not limited to, the following:
 - (i) any material illiquidity in the market for the relevant instruments (the "**Disrupted Instrument**") which are included from time to time in the reference asset to which the Securities relate; or
 - (ii) a change in the Applicable Law (including, without limitation, any tax law) or the promulgation, or change in the interpretation, of any Applicable Law by any court, judicial institution or regulatory authority with competent jurisdiction under the Applicable Law (including any action taken by a taxing authority); or
 - (iii) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or

- (iv) the general unavailability of: (A) market participants willing to enter into a Relevant Hedging Transaction; or (B) market participants willing to enter into a Relevant Hedging Transaction on commercially reasonable terms.
- (c) Consequences. In the event of a Hedging Disruption Event, the Issuer, may determine to:
 - (i) terminate the Securities. In such circumstances the Issuer will, if and to the extent permitted by the Applicable Law, pay to each Securityholder in respect of each Security held by such Securityholder an amount calculated by it as the fair market value of the Security immediately prior to such termination, less the costs to the Issuer for unwinding any related hedging arrangements;
 - (ii) make an adjustment in good faith to the relevant reference asset by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may: (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or (B) notionally reinvest such proceeds in other reference asset(s) if so permitted under the Conditions, including the reference asset(s) to which the Securities relate;
 - (iii) make any other adjustment to the Conditions as the Issuer considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer, any affiliate of the Issuer or any third party may purchase Securities at any price in the open market or by tender or private treaty. Any Securities so purchased may be held, cancelled or reissued or resold, and Securities so reissued or resold shall for all purposes be deemed to form part of the original series of Securities.
- (b) Further Issues. The Issuer shall be at liberty from time to time without the consent of the Securityholders or any of them to create and issue further securities on the same terms (except for their respective Issue Date or issue price) so as to be consolidated with and form a single series with the Securities.
- (c) Prescription. The Securities must be presented for redemption within a period of ten years, starting from the day on which the Securities are exercised or terminated. If the Securities are not so presented, the relevant redemption claim shall become void. For the avoidance of doubt, the redemption claims of the Securityholders shall also become void if the Securities are not exercised in accordance with their exercise provisions.

7. MODIFICATIONS

- (a) In the event of manifest typing or calculation errors or similar manifest errors in the Conditions, the Issuer shall be entitled to declare rescission (*Anfechtung*) to the Securityholders. The declaration of rescission shall be made without undue delay upon becoming aware of any such ground for rescission (*Anfechtungsgrund*) and in accordance with General Condition 4.
- (b) The Issuer may combine the declaration of rescission pursuant to General Condition 7(a) with an offer to continue the Securities on the basis of corrected Conditions (the "**Offer**"). The Offer and the corrected terms shall be notified to the Securityholders together with the declaration of rescission in accordance with General Condition 4. The Offer shall be deemed to be accepted by a Securityholder (and the rescission will not take effect), provided that the Securityholder does not submit within four weeks following the date on which the Offer has become effective in accordance with General Condition 4 a claim to the Principal Paying Agent for the repayment of the issue price of the Securities. The Issuer will inform the Securityholders about this effect in the notice.
- (c) Contradictory or incomplete provisions in the Conditions may be corrected or amended, as the case may be, by the Issuer in its reasonable discretion (*billiges Ermessen*). The Issuer shall only be entitled to make such corrections or amendments pursuant to this General Condition 7(c) which are reasonably acceptable to the Securityholders having regard to the interests of the Issuer and in particular which do not materially adversely affect the legal or financial situation of the Securityholders. Notice of any such correction or amendment will be given to the Securityholders in accordance with General Condition 4.

8. SUBSTITUTION

(B) each Securityholder, as of (and including) the date of such notice until (and including) the date of such substitution, being entitled to terminate the Securities held by such Securityholder without any notice period in which event the Issuer will, if and to the extent permitted by the applicable law, pay to such Securityholder with respect to each Security held by such Securityholder an amount determined by the Issuer in its reasonable discretion (*billiges Ermessen*) as the fair market value of the Security immediately prior to such termination. Payment will be made to the Securityholder in such manner as shall be notified to the Securityholder in accordance with General Condition 4;

and in each case subject to all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Securities represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and being in full force and effect. In addition, so long as Euroclear Sweden AB is the Clearing Agent in respect of the Securities, any substitution of the Issuer in accordance with this General Condition 8(a) shall comply with the requirements of Euroclear Sweden AB and, in particular, any Substitute shall be acceptable to Euroclear Sweden AB. In the event of any substitution of the Issuer, any reference in the Conditions to the Issuer shall from such time be construed as a reference to the Substitute.
